Thailand has recorded 106 new cases of coronavirus and three deaths, health officials said Tuesday.
Since the outbreak, 827 cases and 4 deaths have been reported in the country.
Three deaths were from patients with other health complications, including a 70 year old with tuberculosis, a 45 year old with diabetes and a 79 year old with health problems, taweesin wisanuyohin, a Ministry of Health spokesman, said.
Since the outbreak, 57 patients have recovered and returned home. Another 766 patients are still in hospital.
